Topic	Discussion	Action Steps	Responsible Person
Updates/Check-in	None		
Networking Event Planning	<p>Part 1: (in person or hybrid?) *Make Part 1</p> <p>Networking Event Early Intervention & Home Health. Development of Community of Practice = Knowledge Translation. Round table discussion (all practice settings). Creation of discussion topics (if we share in advance, participants can prepare). Identify leaders who can facilitate the groups.</p> <p>Part 2:</p> <p>Therapists at Maine Med on board for discussing specialty clinics (4 clinics - NICU f/u, spina bifida, MDA, CF). Have MMC therapists share information based on talking points (referral process, frequency of f/u, medical care availability). Open for Q&A.</p> <p>Seek participant feedback for organizing Part 2.</p>	<p>Early April 27th 6:30-8pm Write blurb for APTA blast.</p> <p>Registration by April 10th: - Name - Practice area - In person/Zoom - email - free text: topics of interest?</p> <p>Brainstorm Topics/Table Facilitators: - Transition (HS to adult services) - NICU to Home - CPG - Equipment/orthotics</p>	<p>BC</p> <p>BC</p> <p>Everyone</p>

Blurb for ME APTA for Event, Agenda Items?	There is no testing site for specialty certification exams. Prometric is no longer working with the specialty certification exam?? Price is a big consideration/barrier.	Share information with ME APTA for any insights/feedback.	BC
